Print ISBN: 0201321685. Online ISBN: 978-0201321687. Author Biography Patrick Hanlon is the author of three books, including one from McGraw-Hill, which he also co-wrote with his wife. This is Patrick's second e-book, and his first from Human Interest Media. He has been publishing his writings, on various topics, for over 15 years. Patrick is a former Army Reservist, and was the senior writer for two of his best-selling books. He is currently a product manager at a company that develops training software for the banking industry. Patrick has degrees in History and English Literature, and is a graduate of Pepperdine University. Patrick has lived in nearly every state in the US and has traveled to 19 countries. He currently resides in the Pacific Northwest with his wife and two daughters. Back cover copy This is a book for those who want to change careers and for those who want to change the world. You can make an incredible impact in your life, and on others, if you start today. This book helps you to identify your brand, and then finds you a role, for your values, that is exactly right for you. The book will help you realize that you don't have to follow the path the people you know, but can make your own path. Personal Branding helps you create a "brand" of passion and purpose that will allow you to command more money and respect in the world. You can create a well-diversified portfolio of experiences, and a unique brand to share with the world. It will help you to create a brand that you are proud of. You can also connect it to your professional or future careers. This book helps you to identify your brand, and then finds you a role, for your values 82157476af
